

Fruit & Cheese Tart

2 tubes crescent rolls

2 8-ounce pkg. cream cheese

$\frac{3}{4}$ cup granulated sugar

2 tablespoons Amaretto

1 cup Clearbrook Farms Red Tart Cherry Preserves

Preheat oven to 350° F.

In a medium mixing bowl, beat softened cream cheese and gradually add the sugar and Amaretto. Mix thoroughly to incorporate.

Spray 10-inch pie pan with food release spray. Unroll crescent rolls and spread into bottom and up the sides of pan, sealing the seams.

Spoon cream cheese mixture into pie pan. Cover with remaining crescent rolls. Seal seams and roll crust from sides to seal the cream cheese into the crust.

Bake for 30 minutes and cool completely. Cover top with Clearbrook Farms Michigan Red Tart Cherry Preserves (or one of your other favorite flavors).

Note: This may also be topped with confectioner's frosting (1 cup confectioner's sugar with 1 tablespoon milk). Clearbrook products can be purchased at simontonscheese.com.
