

Snappy Peach Parfait

- 1 ½ pounds frozen peaches (thawed)
- 2 (8 ounce) containers mascarpone
- ½ cup white sugar
- 1 (8 ounce) container whipped topping (at room temperature)
- ¼ cup Tennessee Gourmet® Snappy Pepper Jelly
- ¼ cup Grand Marnier

Microwave the Pepper Jelly for about 1 minute, to liquefy.

Using a food processor, blend the mascarpone, sugar and whipped topping until combined. Add the peaches, jelly and Grand Marnier, blend until smooth.

Pour into parfait glasses and refrigerate for 2 hours. If you prefer, the desert can also be frozen to create a wonderful sorbet.
